Harmony Day

**WELCOME
BACK TO
COORARA
PRIMARY
SCHOOL**

Dear Families,

Happy New School Year!

Welcome back to you all, whether you are at an school or an online learning family.

This first day and week of school has been one for the books – Our Reception students have started for the first time, and Year 1 students returned, in a very different school context to normal. It is also a first for our Year 2 – 6 students who got to meet their new class and new teacher over Zoom. Your child's teacher has been at school a lot over the last few weeks getting organised for this new hybrid way of learning. I thank them for their hard work in making this a success. February the 14th will come around quickly and we will work hard to create a 'new normal' for the school at this time.

New school year brings changes to our staff team as well. We are very fortunate to have Daniel Mills starting as a year 5/6 teacher. Brianna Price will also be joining the Y5/6 team for the first two terms of the year whilst Linda Middleton is on leave. Mignon has extended her parenting leave until the end of Term 1 and she will be replaced during this time by Tamaru (our new reception children will recognise him from kindy).

Due to the new Covid stance the department are taking for our school safety, we will be pushing out events that normally occur in the first half of the term. As a school and staff we will be following all recommended precautions. All staff will be wearing masks, ensuring social distancing, and we will be having midday cleans in all areas daily. Parents, we ask that you do not enter learning spaces.

I am excited to be the Principal at Coorara. I spent a number of days here in term 4 last year and attended your end of year performance. I was so impressed with what I saw. School pride was evident in the children and the staff. I look forward to watching this extend and grow as the year progresses with new focusses and new adventures.

We look forward to an exciting year of learning at Coorara.

Kind Regards,

Steph Tulloch
Principal

Save the Date

We look forward to seeing everyone at our community event (if the department allow) on **WEDNESDAY 9TH MARCH** from 5.30pm. More information will come out about this in the next newsletter, hinting at the end of year production also.

OUR SCHOOL IS NUT AWARE

Our school is nut aware. We ask families to

- avoid sending food to school containing nuts where possible
- Talk to their children about not sharing their food with others
- List all ingredients on food items that will be shared i.e. birthday cakes

Thank you for your support. This helps to keep our school a safe place for people with food allergies.
