# CATCHING UP

with Room 17

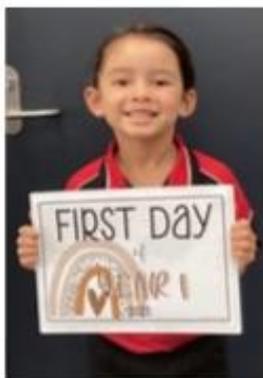

We have had a GREAT start to our learning in 2023. We have spent lots of time discussing our school values and expectations. We have lots of learning goals to achieve and having a caring and respectful classroom is important to us. We have also spent some time talking about feelings and ways we can share them safely with others. Lastly, we have set a challenge to include some AUSLAN into our classroom. We have broken down some common words so you can use them at home too!

**BUCKET FILLERS**  
As a bucket filler we make choices that are positive and helpful to others.

**RESPECT**  
Being a respectful class member means we all have an opportunity to learn.

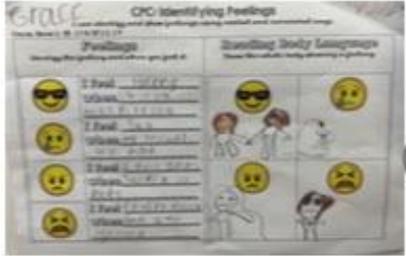

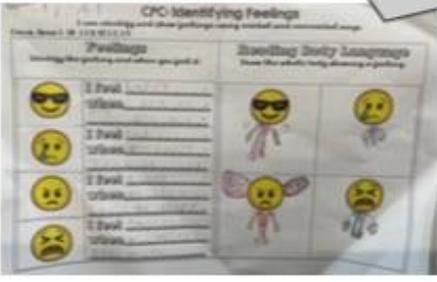

**CARING AND EMPATHY**  
 We care for each other by empathising and understanding their feelings.

**AUSLAN**  
 We now use hand signs to say thank you, please, yes and no everyday in our room. Learn these signs and join in!

**FEELINGS**  
 Everyone shows their feelings in different ways. We can use verbal and non-verbal ways to understand.
