## Attendance

Dear Families,

My name is Anthony Parina and I have had the recent privilege to join Coorara Primary School as the Wellbeing / Teaching & Learning Leader. I have enjoyed getting to know the students and their interests as well as share some of my own, mostly around my puppy, Bodhi! I live locally, near Seaford and come from many years teaching in Special Education classes at South Port Primary (previously known as Seaford K-7) and last year supported students across a range of local schools and preschools as a Special Educator. Thank you to those families that have already made me feel welcome. If you see me around the grounds, please take the opportunity to say hello.

Wellbeing is a key component to our success and happiness in life. When children experience learning success, their wellbeing is further enhanced –so wellbeing and learning go hand in hand.

Key factors that make up a child's wellbeing include:

- Being involved in supportive relationships
- Feeling that your life has meaning and purpose
- Feeling connected to others in your community
- Feeling a sense of control of your emotions
- Engaging in activities that are important to you

Open conversation and questions which address these points can help children to reflect and think critically about how they are feeling and what support they made need.

If you would like more information about Wellbeing, the Student Wellbeing Hub has an excellent range of resources. It can be found at

<https://studentwellbeinghub.edu.au/>

Bodhi

Kind Regards,

# Visual Art in Room 20

The Year 1 and 2s in Room 20 have been busy expressing their creativity through Visual Arts! The children stuck painters' tape across paper to create shapes. They then painted the shapes they had created with water colours. When the paint was all dry, the tape was taken off revealing thick white lines, dividing each colour. Check out some of the creative work they have done!

## Magical Memories Receptions 2021

Using photos and craft materials the Reception students created a collage of their first weeks at school.

The children enjoyed telling their parents all about their first weeks at school as they cut, glued and created a special keepsake
