### Attendance

Dear Parents and Caregivers,

I hope you all had a lovely long weekend. It was good timing, being most the way through the term and giving staff and students alike a chance to catch their breath.

Whilst your children were at home on Friday, the staff undertook training in 'Restorative Practices' for dealing with behaviour in a positive way, learning about classrooms that cater to kid's individual needs where possible, and an informative session with Uncle Tamaru on culture. It was very valuable learning for us all.

I do apologise for those families that were unaware of the closure day. There have been some hiccups with our communication with some emails not working, links not opening etc. The department are hoping to iron out some of the problems.

Just to remind you that we send communication out through the following main ways:

- Email, and the Coorara School Facebook page. (Please ensure you are linked to the official school one.)

Over the next few weeks, our website will also be redeveloped and information will also be readily available on this.

Uniforms are looking fabulous. The new 'Seniors' tops for Year 6 students are very smart. They are available to the school office for \$32.00. Please make sure your child is wearing the correct uniform to school, and make sure everything is clearly named. A big thank you to Big Fish for the new lost property trolley outside the office/OSHC. It makes everything so much easier to see. Also big thanks to Lanie for going through it all the other week and retuning named uniforms to students.

An update on the school hall floor: As most of you are aware, someone flooded our school hall earlier this term using the fire hose. The whole floor now needs replacing and this process is underway. We will keep you up to date with progress.

Parking: The carpark outside the kindergarten is becoming a little dangerous in the mornings. Please do not park in the 'Kiss and drop' area – you must remain in your car. Take care when parking in other areas as kids are moving around and sometimes they are unpredictable. Be kind to each other, take your turn and your time, and stay safe. It is appreciated.

Have a super week.

**Harmony Day - Monday 21st March**

**Wear lots of orange to school**

**Lets Celebrate Diversity**

WITH ROOM 17

**RESILIENCE  
CURIOSITY  
COMMUNICATION  
OPEN MINDED  
and CREATIVITY.**

Together we have developed these learning dispositions so we can be our best

**Creative**

- looks like**
  - often
  - imagining learning
  - creating something new/unique
  - a busy student
  - different ways to learn
- sounds like**
  - entire discussion
  - asking questions
  - arguing, laughing and happy sounds
  - various language
  - happy and engaged
  - conversations
  - a lot of staff and children too
- feels like**
  - excited about learning
  - learning
  - great
  - happy about everything
  - happy when other things don't work
  - concentration
  - power
  - successful
  - learning new ideas

Our next step was discussing what our classroom should look like, sound like and feel like when we demonstrate each of the learning dispositions.

We are now working on developing each learning disposition each and every day understand how we learn and to be the best learner we can be. Enjoy some of our learning opportunities.

### Friendship recipes

By acting kind and treating others with care is important. Having someone you can count on helps me be resilient at school.  
- Isabella

We worked in teams to solve a problem. I liked hearing all of the different and creative ways to solve a problem!  
- Harper

### Creative problem solving

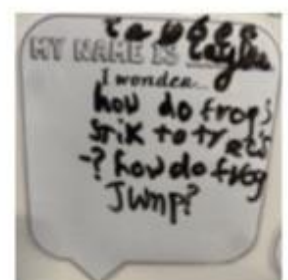

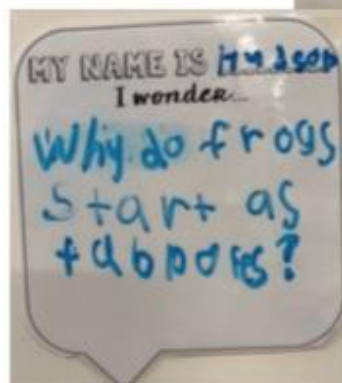

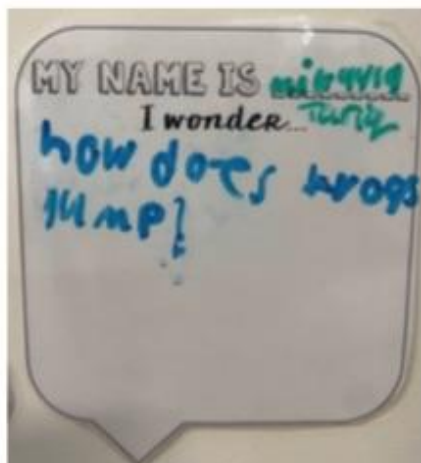

I know I am being open minded when I switch my mindset. My brain is like a muscle!  
- Dominic

Wondering and asking questions is how I show my curiosity and learn new things!  
- Caylee
