### GOVERNING COUNCIL MEMBERS FOR 2023

Tara Struck

Welcome to all Governing Council members for 2023. We are really excited to have them as a part of the Coorara Primary School team.

These fabulous people are here to serve you, as school community members. They are often seen around the school grounds and are happy to help and assist should you require anything.

Our Governing Council meetings are held in week 4 and week 8 of every term, at 7pm in the school staffroom. Any changes to date and time are advertised in the school newsletter and will be added to the website.

There is a 'Coorara questions, suggestions, and comments' mailbox in the school library. If you have any suggestions for the Governing Council, please do not hesitate to fill out a form. This is cleared by the GC Chairperson prior to each meeting.

We all look forward to working with you, for the school, and most importantly for our students.

# *AUSTRALIA DAY!*

## WITH ROOM 7

For Clean Up Australia Day, the whole school walked to Wilfred Taylor Reserve.

We went with our buddy class.

Room 7 went with Room 12. We got to know a bit about each other along the way.

We cared for the environment by picking up rubbish and had a zooper dooper before heading back to school!

## Thank You to Lanie Zerna

We would like to thank you for everything you did for Coorara Primary School over the last three years as Chairperson, also for your years prior. We would like you to know it was greatly appreciated. You helped on trips, with sports, getting Max to ANZAC vigils early in the morning, doing hair and makeup for the productions and making us look like stars. Thanks for making our school a better place. You helped Mrs Read, and then Mrs Tulloch to govern the school, to make it a safe place for us all to be. Thank you very much for all your support.

## Year 6 Dream and Lead Conference

On **Monday 6 March** the **Year 6 students** attended the Adelaide Dream and Lead Conference, which was a one-day event where students got to participate in activities designed to develop their problem-solving skills and increase their confidence. They got to hear from guest speakers including Kwame Duah, a body builder, actor and entrepreneur, and Katie Sarah, an Adelaide mountaineer, who has climbed the highest mountains on all seven continents, as well as the seven highest volcanic peaks.

"I learned that it is important to never give up on something you are passionate about and sometimes you need to get out of your comfort zone."  
Koby Bruce - SRC
