Attendance

Dear Families,

Welcome back! Term two has started well with all classes settled and focused on their learning from day one. We welcome one new staff member to our team this term. James Olsen joins our community starring as the year 6/7 teacher in Room 19.

Term 2 is shaping up to be busy term filled with lots of exciting learning events planned including our annual Bear Hunt for preschoolers, the whole school Dream Big excursion, Reconciliation Picnic and NAIDOC Week celebrations. This term all classes will be working with children's author and illustrator Amanda Graham. Classes will be writing and illustrating their own text. To keep informed about this exciting program and other things happening around the school follow us on Facebook and read our fortnightly newsletter.

ANZAC Day Youth Vigil in the South

Last Saturday night Max and Bianca represented our school at the Youth Vigil in the South. Thank you to both of them for generously giving their time and passion to honour those we mourn and those who served beside them. Together with other young leaders from our community they helped to keep the ANZAC spirit firmly in our consciousness and will help pass on this understanding and respect of it to future generations. Thank you to Bianca for making the beautiful wreath that Max and her placed on the memorial on behalf of the school. We were very proud to be part of this special service in the south.

You said....

In the 2020 Parent Survey you said you wanted more information from the school about how to help your child at home with their learning.

We are doing.....

This week we launch **Coorara Primary School You Tube Channel**. Through our channel we will be sharing videos of 'Tips for Families' of different strategies that you can use at home with your child.

Sophie, our year 1/2 teacher features in Tips for Families No: 1- this short video shows you how you can support your child to sound out a word to read the word. The videos will be shared on Facebook and via QR codes in our newsletter and around the school.
