Year to Date (2022)

Previous Week

Niina Marni

During our recent student free day on Monday Week 3, staff had the opportunity to work with Bill Hansberry. Bill is an expert in specialised educational needs, behaviour management and learning.

During the day, Bill guided staff through learning around the best ways to understand and support behaviours. Staff were also guided around positive ways to support student emotional growth and development. This intensive day of learning has supported us to better teach the Child Protection Curriculum and the Personal & Social Capabilities from the Australian Curriculum.

Our journey towards positive and proactive ways to support student behaviour learning is ongoing and will continue with more training from Bill later in the term, with a focus on Restorative Conversations. These conversations are currently used by staff and help students to openly discuss problems, develop their emotional skills and vocabulary in a safe and supported way.

For more information around Restorative Conversations please feel free to look at the article from Bill Hansberry's Website - https://www.hansberryec.com.au/files/ugd/ab585b_bea0b59c59454a468f18a5cfcde66c00.pdf

Friday 8th July is 'Come as a Tradie Day', working Bee at school to end the term. Parents are welcome to participate.

Warm regards
