Dear Families

It's hard to imagine that we are half way through Term 3 for the year, this term we have had many activities that have truly highlighted our school community and spirit. Coorara is a school that is constantly looking for ways to help our students connect with our core values and community. We are excited for the learning and growth to come.

Book Week

The students love handball at Coorara and often challenge staff to a game. With a great sound track from the student run Radio Station, a fun lunch and challenging match was had. We look forward to the next tournament!! The students are demanding a rematch!

Term 3

Community Spirit

Our new suggestion and comments box is living in the library with Karina – we would love your feedback, ideas and suggestions.

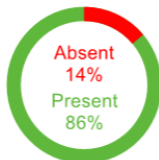

The *Heart of Coorara* has seen great conversations from students about sharing where and what they love about school – please connect with our Facebook to stay engaged with what our students love about Coorara!

What's been happening in Room 20?

Lots of exciting and interesting things have been happening this term in Room 20!

Have a look at what we've been up to so far!

We learnt about Aboriginal history and who was here first, with Uncle Tamaru.

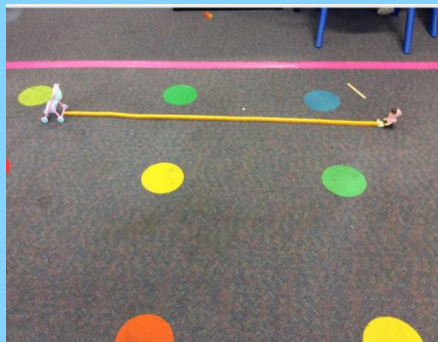

We were lucky enough to watch an interactive performance about anti-racism, called Like me, Like you.

During the performance, we learnt about racism, and how we can stand up against it if we see or hear it happening around us.

We practised what we could say if we saw someone being racist to another person and we also learnt a fun new song and dance!

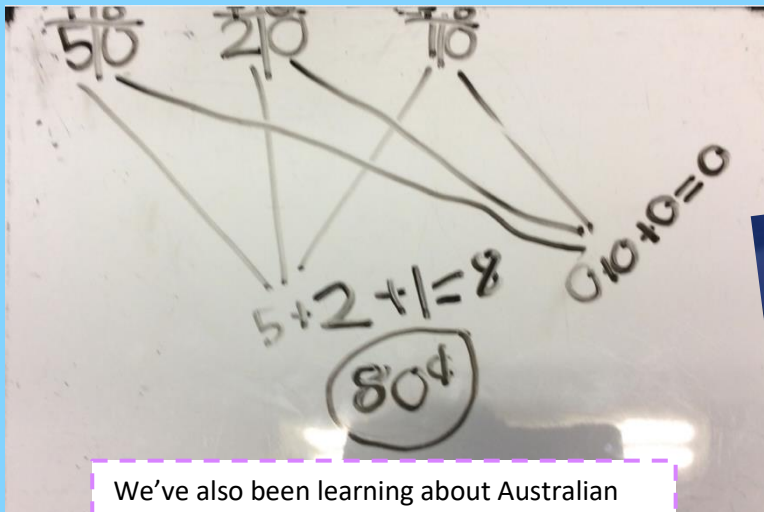

**my path is
113 blox long**

In Maths we have been learning how to measure the length of different objects. We have practised measuring the distance from one object to another, ordering items from shortest to longest and measuring things accurately.

my drink bottle is 14 blocks long

We've also been learning about Australian money. We learnt the value and features of each domination of currency as well as how to add small collections of Australian coins together to make larger amounts.

Coorara Kindy will be providing a **Father's Day Stall** for your child to purchase something special for that special someone in **week 6**.
